Pastor's Peace

"Pass the story down from generation to generation." – Joel 1:3

The experts say this will be one of the busiest summer travel seasons in over a decade. Our family will be part of this mix on several road trips and one of my favorite ways to pass the time is to create a story together as one person shares a word or sentence and the next family member builds upon it. That same process has been happening here at Mount Pisgah – each person sharing his/her passions, gifts and dreams to create part of our church wide narrative.

Two years ago one member came forward with the idea for a church library / media center project as a memorial in honor of a loved one and as an outreach tool to our community. In looking for the right location in the building for this project we began to look at overall space utilization. We realized that the library / media center would best fit in the current church office / pastor's study, which would allow us to move the offices to the end of the hallway next to the covered entrance and parking lot, where many visitors already attempt to enter the building during the week. Our Dawnings team, two years ago, discerned that being a church that was accessible to all was a priority of effort for us. With this in mind, the Baptist Men have offered their expertise and ramp funding to help build a ramp to the covered entrance, where the new offices will be. With the sharing of each idea, gift, and passion our story continues to take shape. This summer we'll be participating in the ordination of a former ministry intern, and other graduate and undergraduate students have asked to intern with us. The youth have offered their suggestions for worship and recreational space, as their Life Group leaders have encouraged their input. New audio / visual volunteers wrote grants so that we could attend a conference on technology and the church. After our Easter baptisms numerous others approached me stating that in seeing the faith of others, they too were ready to take the baptism plunge. One "word" in our story leads to another. It's an exciting time as each person helps to build our narrative and create a new twist in the sharing of God's grace in Gray's Creek. What will you add?

As we move into the summer months, and many of you will travel, I ask that you take the time to visit other congregations and learn from them. Gain a fresh perspective of worship. Learn how others do the little things. Find new ideas, see with new eyes, learn new techniques, listen with new ears and bring back to our MPBC family new words for our story! It's a joy to be part of this journey with you.

Grace & Peace,
Pastor Scot

THANKS to all who helped make our 29th Spring Festival a success. Over \$13,000 was raised for our roof.

The Men's Brotherhood met on May 21st with 20 in attendance. Michael Johnson opened us up with prayer and the Boyd Parsons Cook Team, led by Harold Tolar, served a wonderful meal.

2017 Goal
1,700
volunteer hours

Big thanks go out to Ray Lewis for the idea, and Boyd Parson and Mike Casey for executing the raffle for the Raise The Roof project. With all tickets being sold the Men's Brotherhood were able to contribute \$3000 to the Building and Grounds. Thanks to everyone who either purchased or sold tickets. The men now have a total of 520 volunteer hours for 2017, which is a little behind the pace. We need to get to the goal of 1700 for the year. If anyone knows of needs in the community that we can help with do not hesitate to call one of the men.

After the costs were calculated the men have decided to use the Ramp funds to build a permanent Handicap accessible ramp, at what will be the new office entrance under the carport. Plans are being made to get this up and running before the end of summer.

Ron Hensley led a discussion from the Right Now video on Joshua that brought up Monuments from our past and how we are reminded of what God has done and what may be to come. Please join us on June 18th "Fathers Day" at 8:30am for the next breakfast and brotherhood.

Blessings, Butch
