### Pastor's Peace

As you look at our May calendar you'll find that we start the month with a festival to raise funds for local scholarships, we end the month with the remembrance of those who have died in service to our nation and we celebrate Pentecost, and the outpouring of the Holy Spirit, in between. That range of activity and ministry, and everything in between, is what it means to be the church. Funerals, weddings, baby dedications, baptisms, and communion are all celebrations we've stepped into already this year, giving meaning and purpose amidst the rights of passage of life. Youth lock-ins and life groups; children's spiritual formation and fun; men's breakfasts and building projects; women on mission making baskets, breads and leading bingo; Super Seniors meals, trips, guest-speakers and lunches; mid-week bible studies in the morning and evening; small group Sunday school classes that check on each other throughout the week as well as studying scripture on Sundays; a choir that sings and prays together; worship services that are full of grace and truth; missions that feed the homeless and clothe our neighbors; This is how we are formally the people of God gathered in this place - and what a joy it is to minister with you as such.

Yet, our greatest ministry is being the people of God wherever we go, and whatever we're doing. You are teachers, Police Officers, farmers, hair stylists, students, attorneys, nurses, business managers, Soldiers, artists, social workers, mechanics, business owners, civil servants, builders, firefighters, professors, office administrators, cashiers, retirees of all sorts, parents, grandparents, volunteers...and more. It's in these rolls that we are also the people of God, giving a glimpse of God to those around us. It's my hope that what we do on our campus as God's people is better preparing you to be God's people in your day to day world, loving, leading, serving and encouraging your neighbors.

As you head out to ballgames, concerts, graduations, beach trips – as you mow the yard, plant flowers, pick strawberries – as you go to the gym, write a letter, share a cup of coffee – you are the people of God. You are called and prepared to go, and empowered by the Holy Spirit to transform the world as we'll celebrate on Pentecost May 20<sup>th</sup>. I can't think of a better reason to celebrate. As our community continues to grow, may our influence on it continue to grow, as well. May your presence in your home, at your work place, in the schools, at the stores, and on the roads be the very presence of Jesus. That's what being the church is all about and it's a joy to celebrate you being the church each week. Join us in the full spectrum of life and ministry this month. Peek inside and find ways plug in and reach out. Pray for your faith family and share ideas that God brings to mind for how we can better, "Experience the love God gives and Engage the world God loves." See you soon!

In His Grace,

*Pastor Scot*

The Baptist Men met on April 15<sup>th</sup> and was served a fine breakfast from the Grady Adams cook team. With 14 in attendance the meeting was opened with Pastor Scot's blessing of the meal. The men agreed to make a donation of \$100 towards the Spring Festival's Hogg fund and to round our donation for breakfast meetings up to \$5.

**2018 Goal  
2,018  
volunteer  
hours**

Volunteer hours are plugging along and the total so far is 382. With a third of the year gone we have work to do if the goal of 2018 is to be met. If anyone is aware of a need in the community please reach out to one of the men.

Lesson 6 in our Man Alive series asked the question "How do we feed our soul"? The answers come in many forms such as reading the Bible, volunteering, walking in nature or listening to music. We often take care of our physical bodies well with doctor or dentist appointments, so we should definitely take the time to find our own way of feeding our souls as well.

Please join us on May 20<sup>th</sup> for our next Men's breakfast and fellowship where we will get into lesson 7 and learn more about how "To Love and Be Loved".

Butch

The Women on Mission have been busy getting together baskets for the shut-in members of Mount Pisgah. These contain simple items that are needed to express our love to them. I am very thankful for the ladies who took the time to make sure this project was completed.

We are donating bone pillows that we made to the Spring Festival for the craft section, so if you wanted to get one when we did this project for the Arc patients, you can spend your money and get something homemade.

Our next Meeting is May 7th and we will go to Happy Valley (ARC) on May 21st for our monthly fellowship. Anyone can join us to spend time with the Alzheimer patients. They are a blessing!

The devotion shared with them for April was "Love one another". Any act of kindness is expressing God's love and in return, God will bless you!

Thank you for all the support you provide to our Women on Mission!

Your sister in Christ!
